## OTTERBOX PROTECTION *for the*
# Samsung Galaxy Note

### BE NOTEWORTHY.

The lightweight Galaxy Note combines a spectacular 5.3" display, dual-core 1.5GHz processor and unique S pen stylus, allowing you to illustrate big ideas, capture and share great images and make a statement that you're ready for all of life's great moments.

### NOTICEABLE PROTECTION.

When it's being called 'smarter than a smartphone' you want the smartest protection you can find. OtterBox delivers two protective case solutions that outperform expectations. The rugged Defender Series protects the thin and light body of the Note from damage in most any environment. The stylish Commuter Series provides semi-rugged protection for this amazing device and helps keep your highly connected life humming right along. Both cases are available for this industry-defining tablet leaving users confident they can keep their new favorite device on hand most anywhere.
